PRECAUTIONARY MEASURES FOR THE PUBLIC

In order to guarantee the highest level of safety and at the same time to allow the enthusiasts to enjoy 4 days of sport and fun, the organizers of the 75th Italian Open communicate some prescriptions to ensure a correct influx and outflow of the public by promoting the utmost spirit of collaboration between the law enforcement, the control staff of the Organization and the public.

Police and security personnel will check the spectators both inside and outside the area. Special attention will be paid to access and exits, and there might be queues. This has the sole purpose of guaranteeing the safety of the public, therefore we rely in the sense of responsibility of each of you.

REQUIREMENTS

- At the pre-entrance, a non-invasive control is carried out, with the possibility to use also the **METAL DETECTOR**.
- When entering, bags and backpacks will be inspected individually and the unsuitable material cannot be introduced inside the area.
- For safety reasons, there will be no deposit of backpacks, bags, helmets or other personal items.
- To speed up the access time to the area and facilitate the checks by stewards and security personnel, **IT IS STRONGLY ADVISED NOT TO BRING BACKPACKS AND BAGS.**

IT IS TOTALLY FORBIDDEN TO BRING:

- SUITCASES, TROLLEY, BAGS and KNAPSACKS larger than 15 LT;
